

# FrontLine™

## FrontLine™ Powder-Free Nitrile Exam Gloves were developed to offer the following:

- Human skin pH balanced coating for reduced risk of irritation and reduced perspiration.
- Advanced non-latex nitrile polymer offers superior stretch and comfort.
- Blue color.
- Fully textured surface for improved grip in all conditions
- Puncture resistance as specified by NFPA 1999:2013 edition
- Passed ASTM Bacteriophage Test F1671 per NFPA 1999-2013 standard.
- UL® certified NFPA1999-2013 edition with an AQL of 0.65 exceeds industry standards.
- Our Ease Off™ No-Stick exterior surface prevents duct tape and even Veni-Gard® from sticking to the glove.

The FrontLine™, powder-free nitrile exam glove was the first nitrile exam glove to become NFPA rated. FrontLine™ was designed to meet the demands of First Responders, medical, clinical and industrial workers. FrontLine™ is an effective barrier against blood borne pathogens.
